Foodie Fridays is a special occasion. On Fridays, I offer items that may sell out; and I do not anticipate having leftovers. These special food items are ordered in limited quantities, as they should never see the inside of a freezer. I want you to enjoy the fresh food that I enjoy preparing; food that is not offered anywhere else in Beaver County. Please do not be upset if you miss the chance to indulge in one specific Friday entrée. Please join us the following week for another great dining opportunity.

THANK-YOU
